Dear Dan,

This will confirm our conversation the other day wherein I offered to charge Spring Lake Park a fixed amount of \$6,750 per month for criminal prosecution services. This criminal work includes vehicle forfeitures. We also discussed that this does not include appeals to the Court of Appeal or the Supreme Court. I should note there have been no such appeals in many years. If this is acceptable, the fees for criminal work in 2016 will be billed accordingly. Please call me with any questions. Thank you.

Very truly yours,

Jeff Carson

## REPORT

TO:	Spring Lake Park City Council
FROM:	Barry L. Brainard, Code Enforcement Director
RE:	Code Enforcement Monthly Report for December 2015
DATE:	December 30, 2015

The Spring Lake Park Code Enforcement department is delegate the duties of enforcement for all building, mechanical, plumbing, fire, rental, property, nuisance, and zoning codes within Spring Lake Park.

In December 2015, a total of 15 building permits were issued compared to 5 in 2014. The attached 2015 Building Permit Summary Report indicates how each permit has been categorized for type of construction. In 2015, a total of 397 building permits were issued compared to 234 in 2014, a 70% increase. The total valuation for 2015 of \$10,321,017.13 compared to \$3,851,121.03 in 2014, shows a 168% increase! Total building permit revenue for 2015 of \$142,575.83 compared to \$65,587.50 in 2014, shows a 117% increase. The 2015 building permit activity was the most active year in my 15 years here in Spring Lake Park showing a 25% increase of the previous record for issuing building permit of 318 in 2013. Increases were also shown in plumbing and mechanical permits issued for 2015 in comparison to 2014.

I am happy to report that revenues for the Code Enforcement Department in 2015 have exceeded revenue budget projections by 91%. The expenditure budget for 2015 was set at \$119,406 while revenue generated through building, plumbing, mechanical, plan reviews, certificate of occupancies, vacant/foreclosed properties, and rentals totaled \$227,409.58. The increase is obviously due to building permit fees. Please note the fees above do not include any Administrative Offense tickets issued in 2015 by the Code Enforcement Department.

I would like to thank Kristine Pearson, for all of her assistance in processing, scheduling, organizing and filing of the very busy 2015 building permit activity. Her assistance and professionalism has been extremely valuable and appreciated. I look forward to working with Mrs. Pearson and all the challenges ahead in 2016. I also wish to thank Nancy Kelm for all her assistance with foreclosed and vacant properties in Spring Lake Park. Her record keeping and monitoring of such properties has also been extremely valuable and appreciated in 2015.

Also attached with this report, please find the December 2015 Spring Lake Park vacancies listings. The listings include both residential and commercial properties indicating vacant and foreclosure properties as well as upcoming Sheriff Sales. December 2015 vacancy listing summarizes the following:

- 18 vacant/foreclosed residential properties currently posted by the Code enforcement department and/or soon to be posted. Down 2 from last month.
- 1 vacant/foreclosed commercial properties currently posted by the Code Enforcement department and/or soon to be posted. Down 2 from last month.
- 16 residential properties currently occupied and ready for Sheriff Sale's redemption. Remains the same from last month.

I did not post any abandoned property in the month of December, but conducted five certificate of occupancy inspections. All above indicators show positive movement on the vacant and foreclosure properties in Spring Lake Park for 2015. Let's hope 2016 continues that trend. Also, in the month of December, I did not issued any administrative offense tickets but did post several nuisance notices that have all been corrected as of today.

My time allotted for Code Enforcement in December is as follows:

Building/Mechanical/Plumbing/Zoning Inspections:	59%
Vacant and Foreclosed Inspections:	0%
Rental and Certificate of Occupancy Inspections:	34%
Fire Inspections:	2%
Nuisance Inspections:	5%

In December of 2015, I also attended the following appointments:

- City Council meetings on December 7<sup>th</sup> and 21<sup>st</sup>.
- Department Head Meeting December 8<sup>th</sup>.
- North Suburban Code Official's meeting at Coon Rapids City Hall on December 8<sup>th</sup>.
- Interviews of Facility Assessment & Space Needs Candidates on December 9th.

On December 16<sup>th</sup> I conducted a final inspection of Substance Church, located at 8299 Central Avenue. A certificate of occupancy was granted with minimal conditions and on-going compliance checks are being conducted by myself. It was first thought that Substance Church wanted to have its first church service for Christmas Eve on the 24<sup>th</sup>, but quickly realized that while the general contractor, McGough has finished with their work, much work setting up lighting, sound, and digital equipment remained. Therefore, Substance Church has informed me that they have decided to conduct their first service on or near Easter, 2016. In the meantime, Substance Church Staff has been busy preparing the interior of the building for their office needs.

This concludes the Code Enforcement Department monthly report for November 2015, I would be happy to answer any questions or concerns in regards.

#### MEMORANDUM

TO:MAYOR HANSEN AND MEMBERS OF THE CITY COUNCILFROM:DANIEL R. BUCHHOLTZ, CITY ADMINISTRATORSUBJECT:FEE SCHEDULE UPDATE – CREDIT CARD TRANSACTIONSDATE:DECEMBER 30, 2015

The credit card transaction fees in the 2016 fee schedule are incorrect. The attached ordinance, Ordinance 422, lists the proper fees.

The Utility e-billing fee, which is a credit card convenience fee charged by the USTI online utility billing module, is \$0.35 plus 3% of the utility bill balance.

The e-check (ACH) option is \$1.50 per check. This would only be used for residents/contractors who wish to make a payment by check over the phone. The City will continue to accept checks at the counter at no cost.

All other transactions will be based on the fee scheduled set by our new credit card processor, Municipay. Their processing fee is \$3.00 or 2.45% of the transaction balance, whichever is greater.

If you have any questions, please don't hesitate to contact me at 763-784-6491.

**Section 2.** <u>Effective Date of Ordinance.</u> This ordinance shall be effective from and after its final passage, approval and publication as provided by law.

#### MEMORANDUM

TO:MAYOR HANSEN AND MEMBERS OF THE CITY COUNCILFROM:DANIEL R. BUCHHOLTZ, CITY ADMINISTRATORSUBJECT:APPOINTMENTSDATE:DECEMBER 30, 2015

The 2016 Appointment List is included with this memorandum. Staff has taken the liberty of prepopulating the list with last year's appointments. We will document any changes made at the January 4, 2016 meeting.

There are currently two openings on the Planning Commission, each for a three year term. There are two openings on the Parks and Recreation Commission, each for a three year term.

The following individuals have expressed interest in filling these openings:

Planning Commission (2 – 3 year terms)

• Lisa Dircks (incumbent)

Parks and Recreation Commission (2 - 3 year terms)

- Mark Hoard (incumbent)
- Ann Radichel (incumbent)

There is a vacancy on the Planning Commission (term ending 12/31/18) and a vacancy on the Parks and Recreation Commission (term ending 12/31/17). A flyer has been included with the January utility bill informing residents of these openings and encouraging them to apply. An application form is available on the City's website – <u>www.slpmn.org</u>.

The City has received a letter from the Anoka County Record stating that they will be publishing the City's public notices in 2016 at no cost to the City. They ask to be named the official newspaper for the City. Anoka County, the City of Ham Lake and the City of Oak Grove utilize the Anoka County Record for their public notices. Currently, the City utilizes the Blaine/SLP Life as its newspaper of record. The cost for this service is \$10.75 per column inch.

Staff recommends utilizing the Blaine/SLP Life as the official newspaper of the City. Staff does not believe the Anoka County Record does not meet the requirements of M.S. 331A.02 as a qualified newspaper, particularly subd. 1(c) relating to the amount of its news columns devoted to news of local interest to the community it serves and subd. 1(d) which states that it must have at least 400 copies regularly delivered to paying subscribers or have at least 400 copies regularly distributed without charge to local residents. Staff also believes the wider circulation of the Blaine/SLP Life provides a higher level of transparency to the public for the City's notices. Also, the Blaine/SLP Life publishes weekly versus the Anoka County Record's bi-weekly publication. The more frequent publication of the Blaine/SLP Life ensures timely notification of residents of public hearings and more timely enactments of ordinances.

The LMC has a great resource on this topic available for your review: http://www.lmc.org/media/document/1/newspaperpublication.pdf?inline=true

If you have any questions, please don't hesitate to contact me at 763-784-6491.

Daniel Buchholz City Administrator City of Spring Lake Park 1301 81st Avenue NE Spring Lake Park, MN 55432

Dear Daniel:

It is with great pleasure that we ask to serve as the official newspaper for the City of Spring Lake Park in 2016. As we continue to implement new changes in the newspaper to improve readership, we feel it's important to provide readers with the city's public notices in addition to news stories, features and photographs of local events we cover each week.

We would like to publish your public notices in the Blaine/Spring Lake Park Life. The legal publication rate for the Blaine/Spring Lake Park Life as of January 1, 2016, will remain unchanged from the 2015 rate of \$10.75 per column inch. If any documents need to be manually typeset, a \$20 flat fee will be charged per public notice. As a newspaper published in the County of Anoka, we meet the requirements to qualify as your official legal newspaper.

All public notices published in the Blaine/Spring Lake Park Life will be posted to abcnewspapers.com – which averages over 54,000 unique visitors per month in search of local news and information.

We have appreciated your business over the past years and hope that we can be of service to you in 2016 as a credible, locally-owned, weekly community news source. If you have any questions, please feel free to call me at (763) 712-3532 or email me at jill.donahue@ecm-inc.com. Thank you for your consideration.

City of Spring Lake Park: Mayor and Councilmembers,

In 2016, the *Record* will be publishing **City of Spring Lake Park** public notices at <u>no cost</u> to the city, taxpayers, planning commission applicants, etc.

The *Record* asks to be <u>named</u> the official public notice publisher for the **City of Spring Lake Park**. If designated as such, the *Record* would be available at no charge to **City of Spring Lake Park** residents online or at city hall. The *Record* would also reference your notices in our weekly email subscription update. The *Record* would also post all **City of Spring Lake Park** affidavits of publication on our website, as we are the only newspaper in the county to provide this service.

The *Record* is currently the official public notice publisher for Anoka County, City of Ham Lake, and City of Oak Grove. The *Record* is the low bidder to publish all Anoka County notices in 2016. We expect to continue publishing all Anoka County, City of Ham Lake, and City of Oak Grove public notices in 2016.

No contract is required for this <u>no cost</u> proposal.

Some competitors are charging over \$10 per column inch to publish public notices in a paid subscription newspaper. The *Record* finds this to be a ridiculous sum of money, and we will be sharing this information and our <u>no cost</u> offer to your city with legislators during the 2016 Legislative Session.

Please feel free to contact me with any questions.

Sincerely,

h m Juph

#### MEMORANDUM

TO: MAYOR HANSEN AND MEMBERS OF THE CITY COUNCIL
FROM: DANIEL R. BUCHHOLTZ, CITY ADMINISTRATOR
SUBJECT: WAGES FOR DEPARTMENT HEADS AND NON-BARGAINED EMPLOYEES
DATE: DECEMBER 30, 2015

In light of the settlement of the Sergeant union contract for 2016/2017, I am recommending that the non-bargained employees and department heads, with the exception of the non-bargained liquor store employees, receive a 2.5% wage increase effective January 1, 2016.

I am recommending that the two non-bargained employees at the liquor store be addressed once the Teamsters labor agreement is settled.

As you are aware, public employers in the State of Minnesota are mandated to maintain a program of "pay equity" between male and female classes of employees. The majority of our non-bargained employees are female and the majority of our bargained employees are male. Therefore, it is important, from a pay equity standpoint, to grant non-bargained employees the same cost of living increase as the bargained employees.

If you have any questions regarding this recommendation, please don't hesitate to contact me at 763-784-6491.

Gene Berner or Virgil Rose Prince of Peace Lutheran Church 7700 NE Monroe Street Spring Lake Park, MN 55432

Dear Gene/ Virgil,

Please be informed that AllinaHealth has been in intense discussions of future programs and services at both Mercy and Unity hospitals. It has been determined that Unity will absorb mental health hospitalizations currently at Mercy and thus offer a complete range of mental health services on the Unity Hospital campus. This will happen over a long period of time, perhaps 2-3-4 years.

Furthermore, AllinaHealth feels that whatever mental health services are needed in the future can be accommodated on the current Unity Hospital campus either in existing or remodeled spaces.

Very directly, AllinaHealth has determined there is no need for further expansion beyond the existing hospital campus. Thus, there is no perceived need for Prince of Peace facilities/ grounds.

We appreciate the fact that you approached us on the potential sale of your property and thank you for your efforts in that regard. We wish you well as you move forward with any other opportunities.

Sincerely,

gerald K. Maeckelbergh
