

Job Title: Seasonal Public Works Laborer

Department: Public Works

Location: Spring Lake Park, MN

Job Type: Seasonal, Full-Time

Salary: \$18.00 - \$20.00 per hour (Depending on Experience)

Job Summary:

The City of Spring Lake Park is seeking motivated individuals to join our Public Works team as Seasonal Laborers. This position is responsible for assisting with a variety of maintenance tasks, including park upkeep, street maintenance, and utility work. It is a great opportunity for those looking to gain hands-on experience in public works while working outdoors during the summer months.

Key Responsibilities:

- Perform general maintenance tasks in city parks, streets, and public facilities.
- Assist with lawn care, landscaping, tree trimming, and trash collection.
- Help maintain and repair city streets, sidewalks, and signage.
- Operate light equipment such as lawnmowers, trimmers, and hand tools.
- Assist with stormwater and drainage maintenance as needed.
- Perform other duties as assigned by the Public Works Director.

Qualifications:

- Must be at least 16-18 years old.
- Valid driver's license with a good driving record.
- Ability to perform manual labor, including lifting up to 50 lbs. and working in various weather conditions.
- Previous experience in landscaping, maintenance, or construction is a plus but not required.
- Strong work ethic, reliability, and ability to work independently or as part of a team.

Work Schedule:

Position runs from approximately May through August (dates may vary).
Typical hours are Monday–Friday, 7:00 AM – 3:30 PM, with occasional weekend or evening work as needed.

How to Apply:

Interested applicants should apply at Spring Lake Park City Hall by April 15th. Applications are accepted until position is filled.
